DEAR IHP MEMBERS,

RESPONSE TO IHP DIRECTION OF 26 APRIL 2023

The Herne Bay Residents Association supports the Auckland Council request for a pause on all hearings and the submission from the Character Coalition Inc.

In response to item 7 in the IHP Direction, the Herne Bay Residents Association Inc. wishes the IHP to pause PC78 until Auckland Council's stormwater asset quality investigation is complete. As the results of this investigation could affect other of its plan provisions it would be desirable to hear all issues at the same time.

YOURS SINCERELY,

DIRK HUDIG – Co-chair

DON MATHIESON – Co-chair
